

### Samples Payment to Study Volunteers

Describe any payment or other forms of compensation that will be provided to the subject. See the samples provided for suggested text on compensation for inclusion in a consent form. The samples may be copied and edited as necessary.

**Samples Payment to Study Volunteers:**

You will not receive any payment or other compensation for participating in this study.	No Payment
Payment including transportation: Participation in this project involves reporting to the study site every Wednesday morning for five (5) weeks in a row. You will receive \$10 for your transportation costs each time that you report to the study site. For each session that you complete, you will be paid \$40. The \$40 is in addition to your transportation costs.	Payment Including Transportation
You will be paid for \$20 for participation in this study if you complete the entire survey questionnaire. For each of the 20 questions you will be paid \$1 for each question that you answer. Payment will be given to you after you turn in your questionnaire with at least one completed response.	Prorated Payment
For your participation in this study, you will receive \$30 to cover car fare, babysitting, etc., for each study visit to the clinic (or other study site). You will receive \$160 for each overnight stay in the clinic. Compensation will be given after each visit you complete. The total compensation in this trial is \$XXX. In addition, after your first visit, you will be offered a free, 12-week supply of the study drug (name of drug). The sponsor, (name of company), will pay for this medication. This compensation will be available to you even if you do not complete this study.	Payment Including Free Study Drugs
